Sh. Giriraj Saran Gupta, a senior citizen, 75 years, r/o 1/10861, Subhash Park, Gali No.5, Naveen Shahdara, Delhi has filed an application dated 17/11/2009.

As per the submission of the applicant, he is being harassed and ill-treated by Sh. Joginder Kumar Gupta & Sh. Jagmohan Gupta (both sons of applicant). He prayed for eviction of his self occupied property from his sons due to their misbehavior and ill-treatment towards the applicant. On last hearing on 05/01/2010 the applicant had informed that he was approached by his sons and their wives for a compromise/ settlement of dispute. Hence he submits that he doesn't want further action to be taken in the matter.

Sh. Joginder Kumar Gupta & Sh. Jagmohan Gupta (both sons of applicant) along with applicant were elaborately heard by this Tribunal. It is noted that an understanding of applicant with respondents have been reached under which applicant is not willing to proceed in the matter under section 4 of the Maintenance and Welfare of Parents and Senior Citizen Act, 2007. Respondent has unconditionally assured of their good conduct toward the applicant in future. Therefore nothing survives in the application.

The application therefore disposed without prejudice to applicant's right to file fresh application in case he feels so.
